

BackOffice Associates® Announces 1,000 Man Years of SAP® Experience on the CranSoft® Platform

This extensive SAP data quality experience provides solid foundation to company solutions

South Harwich, Mass., June 29, 2011 – [BackOffice Associates, LLC](#), the leader in ERP [data migration](#), [data governance](#) and [master data management](#) solutions for [SAP®](#), [Oracle®](#) and other ERP vendors, is proud to announce a significant achievement in reaching 1,000 man years worth of experience with SAP by using only BackOffice data migration and data governance tools on the [CranSoft®](#) platform for SAP projects.

CranSoft, the BackOffice proprietary platform, is a web-enabled, multilingual, Unicode-enabled platform for both strategic and tactical solutions. CranSoft is Development at the Speed of Thought™. The CranSoft platform has been fundamental in helping to meet the 1,000 man year mark. BackOffice's powerful combination of deep and broad experience and well-designed tools enables [BackOffice consultants](#) to achieve the highest levels of productivity.

BackOffice has only taken 16 years, 13 focused solely on SAP, to reach a total of 1,000 man years. The company, founded in 1996 by [Trish](#) and [Tom](#) Kennedy, has grown to over 450 employees, including 350 expert consultants.

“This represents a momentous achievement for BackOffice and all of our customers,” said Trish Kennedy, CEO, BackOffice Associates. “We’re looking forward to hitting 2,000 man years of experience in the near future.”

To commemorate this significant achievement, BackOffice will be hosting a celebration at the [Wychmere Harbor Club](#) in [Harwich Port, MA](#) for customers and employees. BackOffice will also have giveaways for company consultants and customers to honor the event.
