BackOffice Associates announces Boring Go Live® data migration solutions bundled with Business-Ready Data Every Day™ data governance solutions.

The BackOffice competitive bundle will provide the industry's only complete data quality solution for SAP customers.

HARWICH, MASS, December 1, 2008 - [BackOffice Associates, LLC](#), the leader in [SAP® data quality](#), [SAP data migration](#) and [SAP data governance](#) solutions, today announced the offering of a competitive bundle of their [Boring Go Live® Data Migration Toolset](#) with their [Active](#) and [Passive Data Governance](#) solutions for delivering [Business-Ready Data Every Day™](#). This competitive bundle will provide SAP customers a complete solution for achieving the Data Quality required to effectively implement and operate SAP solutions.

BackOffice Associates has provided Data Migration and Data Governance solutions exclusively for SAP since 1996. The company's products and services are the recognized best practices for implementing and upgrading SAP solutions. BackOffice solutions focus on eliminating risk associated with inadequate data quality, and enabling SAP's largest and smallest customers to realize the benefits from their SAP ERP projects. Many SAP Customers have attempted to implement SAP only to find their data was not ready for the rigors of a fully integrated ERP system. A successful SAP implementation requires data that is ready for SAP. This means you will need experts in SAP Data migration and Data Governance with a proven methodology and web enabled tools specifically built for the job of ensuring Business-Ready Data Every Day™ for SAP solutions.

BackOffice Associates customers range from SAP's largest Global 500 and Fortune 1000 companies to SAP's midmarket customers. BackOffice has delivered over 400 Boring Go Live® data migrations for SAP customers worldwide. "We have delivered 100% success with Data Migration and Data Governance for our SAP customers since 1996. Our Customers have encouraged us to offer this bundling of Data Migration and Data Governance solutions so all SAP customers can benefit from "Business-Ready Data Every Day," said Patricia Kennedy, President and CEO of BackOffice Associates. "We are very proud that every BackOffice customer is a reference and we look forward to helping all SAP customers achieve the results they anticipate out of their SAP systems."
